

Duke of Edinburgh Bronze Award expedition dates

The Bronze expeditions consist of two days walking for a minimum of 6 hours per day and one night camping.

Therefore, pupils will only complete their expedition over two of the days listed below for both the practice and assessed expeditions.

Practise expedition

- 2 day, 1 night expedition in the Wyre Forest to take place between 5th-8th of April
- *(There will be two expeditions, groups will be assigned to one of these expedition dates and complete over two days)*

Assessed expedition

- 2 day, 1 night expedition in The Malvern Hills and Worcestershire to take place between 9th-12th of May
- *(There will be two expeditions, groups will be assigned to one of these expedition dates and complete over two days)*

Please note that we understand that there are sometimes commitments which clash with chosen expedition dates. We will do what we can to accommodate these requests but cannot guarantee this due to the constraints of staffing, ratios and walking groups.
