EASTER STEM WORK EXPERIENCE WITH SPECTRIS PLC

Wednesday, 16th of April from 9am - 3pm

Are you interested in pursuing a career in engineering, science, or anything to do with STEM? Would you like to gain some rare and invaluable work experience with multiple global FTSE companies? If so, we have the perfect opportunity for you!

We are excited to announce that on Wednesday, 16th of April from 9am - 3pm, we will be hosting a virtual work experience day with Spectris, Malvern Panalytical, HBK and Servomex! Spectris are a FTSE company and own all the other science and engineering-based companies mentioned above. Collectively they operate in over 30 countries, employ over 7,500 people globally, and have generated a revenue of over a billion pounds as of 2024! Each of the companies Spectris owns specialises in a very specific areas of science and engineering and during this work experience day you will get the opportunity to take part in workshops and network with each of their companies.

Please sign up for this incredible opportunity, by using the registration link below. After the event you will receive a certificate that you can use on your CV's and any job applications that you make.

CAREER OPPORTUNITIES YEAR 12 - 13

FULLY FUNDED DEGREE OPTIONS AND NEW OPEN DAYS FROM NMITE

BSc (Hons) Construction Management Open Day

If students are offered a place on NMITE's BSc (Hons) Construction Management by April 2025, they can apply for AWE's Defence STEM Undergraduate Scheme (DSUS) in May. If successful, they'll receive:

- Full funding of their university course fees (£9,275 per year)
- A subsistence bursary of £5,000 per year to support living costs
- Additional benefits; mentoring from an AWE construction expert during their undergraduate course, an AWE-based work placement during their studies, the offer of a permanent role at AWE upon graduation (subject to adequate academic performance)

APPLY HERE

The AWE Scholarship is limited to 10 places. Learn more at our Construction Management Open Day on Saturday, 22 March 2025. Step beyond the lecture theatre with hands-on learning alongside industry pros, tackling real-world challenges, including a collaborative playhouse build with local experts, Oakwrights.

MENG/BENG ENGINEERING OPEN DAY

Running from 10.30am till 3pm students will have the opportunity to explore both our campuses, enjoy lunch on us, and meet their future peers, along with our current students and some of our academic team.

Our next Engineering Open Day takes place on Saturday 5 April 2025, with more dates available on our website.

BOOK NOW

OUR DEGREES CLICK HERE

NMITE offers practical, hands-on engineering and construction degrees designed to equip students with the skills employers need. Students can also apply directly through our website, [HERE](#).
